

We are thrilled that you are interested in our Classical Homeschool Community of Shrewsbury! Below is our community registration process:

1. **Contact us!** Before you enroll, we want to make sure you fully understand the goals of our community and the requirements for its families. Fill out our contact form and we will be in touch within a week.

2. **Attend an Open House or Informational Session (*if available*).** The best way to understand what we do is to visit during an open house or attend an information session and hear from our Leadership Team. This is your opportunity to learn about our community, ask questions, and get to know the current families.

3. **Click on the "Join" link at the top of the webpage.** Complete and submit the online registration form. After your Meet-and-Greet Conversation (#4), an administrator will email acceptance to our website along with payment information.

4. **Schedule a Meet-and-Greet Conversation.** Once you have decided you would like to move forward with joining our community, we will schedule a Meet-and-Greet Conversation with a Membership Committee member to ensure your family and our community are a great fit.

5. **Submit signed parent and student contracts and waivers.** Upon acceptance into the community, you will have access to our handbook. After reading it in full, we will ask that you sign parent and student contracts, asserting that you will uphold all community guidelines.
